(2) 'Athletic trainer' means a person with specific qualifications, as set forth in Code Section 43-5-8 who, upon the advice and consent of a physician, carries out the practice of prevention, recognition, evaluation, management, disposition, treatment, or rehabilitation of athletic injuries; and, in carrying out these functions, the athletic trainer is authorized to use physical modalities, such as heat, light, sound, cold, electricity, or mechanical devices related to prevention, recognition, evaluation, management, disposition, rehabilitation, and treatment. The term 'athletic trainer' shall not include any

1 student, teacher, or other person who serves as an athletic trainer for an elementary school

19 compensation, any of the activities of an athletic trainer, as defined in this chapter, without
20 first obtaining a license under this chapter; provided, however, that nothing in this chapter
21 shall be construed to prevent any person from serving as a student-trainer, assistant-trainer,
22 or any similar position if such service is not primarily for compensation and is carried out
23 under the supervision of a physician or a licensed athletic trainer.

24 (b) No person shall hold himself or herself out as a personal trainer or perform, for
